

ARTACHMENT presents:

# ART ENTERTAINMENT & DESIRE

## 13<sup>th</sup> — 19<sup>th</sup> JUNE 2011

With a performative-musical prelude by DAR (Basel) and Die Insekten (Biel)  
on 10<sup>th</sup> June 2011, 17 h, at the Keck-Kiosk.

For the first time during Art week, Basel will host a Festival of Independent Artspace. — The focal point of this is the Keck-Kiosk, which has a prominent setting on the Kaserneareal in the heart of the hustle bustle of the art fairs. This compact architectural space, takes on huge proportions during Art week presenting a selection of important and internationally renowned Swiss Artspace and international initiatives and projects. The program is accompanied by Sideprojects in various locations.
